Course Information

Course Name: **ML589 - Comprehensive Exam Seminar**

Department: **Master of Arts in Leadership**

Instructor: **Diane Pike**

**General Instructions:** The purpose of this form is to obtain important information from students concerning the instructor of this course, the course itself, and instructional materials.

This evaluation is important. It is used by instructors for improving or validating their teaching methods and for gaining feedback on course content. Evaluations are also used by departments for development, promotions, and retention decisions for instructors. The aggregated information from these surveys will go anonymously to the Vice President for Academic Affairs and Dean of the College, Barbara Edwards Farley, the faculty member's department chair, and the faculty member **AFTER COURSE GRADES ARE SUBMITTED**. An individual faculty member has no way to determine which students gave which responses unless you choose to reveal yourself in the open ended questions.

The form is broken into 5 sections with 29 questions total. The first 4 sections are scaled questions, with comment sections, and the last 6 are open-ended. Please take adequate time in answering all the questions. When you click on the "Submit Survey" button your answers will be recorded anonymously.

Thank you for taking the time to do this and help Augsburg fulfill its mission of providing a high quality education. Your input matters.
