

Next-generation collaboration

Email, calendar and files

AUGSBURG COLLEGE

Larger Context

- We are using other tools already
- Moving IT resources to strategic projects
- Regional peers have moved

School	E-Mail	File Collaboration
Augsburg	Groupwise	Network Storage
Bethel	Google Apps	Google Apps
Carleton	Zimbra	Google Apps
Concordia	Google Apps	Google Apps
Hamline	Google Apps	Google Apps
Luther	Google Apps	Google Apps
Macalester	Google Apps	Google Apps
Northwestern	Exchange	Google Apps
St. Kate's	Google Apps	Google Apps
St. Olaf	Google Apps	
St. Scholastica	Google Apps	Network Storage
St. Thomas	Exchange	SharePoint
William Mitchell	Live@EDU	Live@EDU

Why change?

- Everyone on same platform – faculty, staff and students
- File needs have changed
 - Collaborative tools
 - Anywhere anytime access

Work done so far

- IT Advisory Group
 - Aaron Griess (Athletics), Brianna Noland (Student), Jane Ann Nelson (Library), Jeremy Meyers (Religion), Jesse Cashman (DPS), Kevin Cheatham (TRiO/SSS), Kevin Healy (Advancement), Nate Hallanger (Academic Affairs), Rebecca John (Marketing), Velma Lashbrook (MAL/CTL) and IT staff including Leif Anderson , Scott Krajewski, Matt Schornstein, John Stadler
 - Exploring topic since April
 - Demoed Microsoft and Google
 - Recommendation on table: Move to Google
 - Looking for community input

Timeline and Resources

- Web page on IT site with FAQs:
inside.augsburg.edu/it
- Demo Q&A sessions: Dec - Jan
- Pilot departments: March - April
- Advisory Group recommendation: April

FAQs

- No ads, no scanning
- We own the data
- Calendars are private
- Same email address
- MS Word/Excel/PPT still needed
- AugNet folders still needed
