Questions  Develop six key questions before the interview (for tips on interviewing see Conducting Interviews from the online toolbox). Write responses on a separate sheet of paper making sure to number them.

1)                                                                                                                                                                                                

2)                                                                                                                                                                                                

3)                                                                                                                                                                                                 

4)                                                                                                                                                                                                 

5)                                                                                                                                                                                                 

6)
